Department of Energy  
Announces the Availability  
of the Administrative  
Record File

Rocky Flats Plant  
Golden, Colorado

ADMIN RECORD

The Administrative Record file under the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA) is a collection of all documents which are relied upon to select a response action for the clean up of individual hazardous substance sites (IHSs). Requirements for Administrative Records are established under section 113 (l) of CERCLA, as amended by Superfund Amendments and Reauthorization Act (SARA) of 1986. The Department of Energy (DOE) seeks to inform the public of the record file and to encourage the public to continue to document as they are placed in the record file.

The Administrative Record file includes documents which form the basis for the selection of remedial actions at the Rocky Flats Plant. Records available to the public for Operation Uranium (OU-1, OU-2, and OU-3) and the Grand file are available to the public to
